About Columbia

Columbia is proud of more than 60 years of success in the vehicle industry. And, as a member of the Nordic Group of Companies, you are assured we are more than able to serve you today - as well as tomorrow. The Nordic Group of Companies is a family owned, Wisconsin based business including Flambeau and Seats Incorporated - two leaders in the industries they serve.

Warranty & Service

Each new Burden Carrier from Columbia comes with the finest warranty in the industry. Contact your dealer for specific details on the model(s) you are considering. Service is available through our national network of authorized dealers. Consult with your dealer to discuss optional service plans that may be available.

The Legal Stuff

Columbia Burden Carriers are designed to conform with ANSI B56.8 and OSHA standards. Features, options, specifications, color availability, and model designations are subject to change without notice. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about the availability of options and verify that the vehicle you ordered includes the equipment you ordered.
